

CO1-AT1-CODING CHALLENGE

NAME: V Rakshana

SLOT: B

REGNO :192425137

COURSE CODE: CSA0911

QUESTION-5:

CODE:

```
public class Admission {  
    void calculateFee() {  
        System.out.println("UG Fee = 50000");  
    }  
    void calculateFee(int pg) {  
        System.out.println("PG Fee = 80000");  
    }  
    void calculateFee(double scholarship) {  
        System.out.println("Scholarship Fee = 20000");  
    }  
    public static void main(String[] args) {  
        Admission a = new Admission();  
        a.calculateFee();  
        a.calculateFee(1);  
        a.calculateFee(50.0);  
    }  
}
```

OUTPUT:

Admission.java	Run	Output
<pre>1- public class Admission { 2 3- void calculateFee() { 4 System.out.println("UG Fee = 50000"); 5 } 6 7- void calculateFee(int pg) { 8 System.out.println("PG Fee = 80000"); 9 } 10 11- void calculateFee(double scholarship) { 12 System.out.println("Scholarship Fee = 20000"); 13 } 14 15- public static void main(String[] args) {</pre>		<pre>UG Fee = 50000 PG Fee = 80000 Scholarship Fee = 20000 === Code Execution Successful ===</pre>
